Kind regards

SEZAD, Tenders & Contracts.

Circular No. (21)

Reference: EPC Construction Services for Detailed Design and Construction of the Duqm Refinery Service Corridor to the Liquid Jetty

SN	Query	Answer
1.	<p>We note at drawing Ref: 1049/DUQM/102/SE that "the Sabkha material shall be totally removed and replaced by compacted selected fill as per the specification", whether it means the Sabkha on within the whole site shall be removed and replaced. Please kindly clarify the exact scope of this removal and replacement on SABKHA.</p>	<p>The note No.2 on drawing ref: 1049/Duqm/102/SE should not be taken as a mandatory requirement. Bidders are reminded that the design is only concept level. The successful EPC Contractor shall study the Geotechnical Investigation Report provided with the RFP and based on his experience and best practice design and construct the foundations in the Sabkha area so as to provide the required support for the service and commissioning tests.</p>
