ADDENDUM TO TENDER DOCUMENTS

1. Volume 1 of 4 Prime Documents, page 2, Invitation to Bidder section.
"Local companies must have a valid Tender Board registration. The documentary evidence of such registration shall be submitted along with their technical proposal. International companies participating in this tender must have a local agent with business address and registered with the Ministry of Commerce and Industry...."
Remove 'local agent' – for SEZAD's projects, no requirement for a 'local agency'.

"The Bid Bond shall be denominated in Omani currency and shall be obtained from a bank located and registered in the Sultanate of Oman and valid for one hundred twenty (120) days from the latest date fixed for the submission of Bids".
To add new paragraph: "For international companies (not yet registered in Oman), the Bid Bond can be issued from the (international) Company's country of domicile and in USD (United States Dollar) denomination to the equivalent amount in Omani currency".
