FUN FACTS

Did you know ...

Snoopy Rock

Whichever way you approach the rocks, you will find perfectly spherical stones that resemble animals, shapes, and objects based on wherever your imagination takes you. You’ll also find one that looks like an old-time favorite comic character, Snoopy!

Humpback Whale

On January 18th 2021, an Arabian humpback whale was tangled in nets near the Port of Duqm and a team of specialists spend two days attempting to locate and free the whale. The whale successfully managed to break free and safely return to the open ocean. A limited edition shirt and cup were made as memorabilia to remember the successful release of the whale.
